Indian Gas Major Portion

Designated Areas

Office of Natural Resources Revenue

Market & Spatial Analytics

This map outlines the Designated Areas defined in the Indian Gas valuation regulations for the Office of Natural Resources Revenue (ONRR) published on January 1, 2000, 30 CFR §§1206.170 - 1206.181. This applies to all gas sales from Indian leases with a major portion provision and all Indian leases with language providing the Secretary of the Interior with the discretion to determine value.

These provisions also only apply to Indian leases which are not located within an Indian Index Zone. Please check your lease for special requirements. Only Allotteed leases in the Navajo Nation are included in this methodology. Please refer to your lease to determine if you have a Navajo Allotteed or Tribal lease to ensure you use the correct price for valuation.
