Appendix B
ONRR Lease, Unit, or Communitization Agreement Number

ONRR assigns a 12-character lease number to new MLRS onshore oil & gas federal leases (excluding Alaska), approved on or after April 1, 2022. MLRS Federal and Indian onshore Unit and communitization agreement numbers approved on or after April 1, 2022 identifying each Federal or Indian mineral agreement will no longer be converted, ONRR will use the agency assigned number.

B.1 MLRS ONRR Lease Conversion

The components of the MLRS lease number are assigned as follows:

ONRR prefix	Lease identifier
999	999999999
Example:	
054	123456789

NOTE *The number **9** denotes numbers.*

Issuing agency lease prefix. A prefix assigned by BLM, consisting of 2 alpha Geo State and 2 alpha Admin State, is converted to an ONRR three-digit prefix and BLM 9-digit serial number.

To convert an offshore lease prefix, see Offshore Lease Prefixes in table B-2. To convert an onshore lease prefix prior to April 1, 2022, see Onshore Lease Prefixes starting in table B-3.

Table B-1 contains a numerical list of all valid financial accounting system lease prefixes.

Lease identifier. If the number originally assigned is fewer than six digits, ONRR converts the BLM or BIA onshore or BOEM offshore serially assigned lease identifier by preceding the number with zeros to form a six-digit number

Lease segregation code. The last character of the ONRR lease, unit, or communitization number is a BLM or BIA assigned alphabetic suffix to the lease number when the lease was segregated from an existing lease because of an approved assignment. If the lease has not been segregated by assignment, the code is zero (**0**). For units, each Participating Area (PA) is assigned an alphabetic character for this field during conversion. If the unit is an exploratory unit, secondary recovery unit, or tertiary recovery unit, the code is **X**.

Table B-2 contains information necessary for determining your correct prefix based on the offshore region from which the lease was issued.

B.1.2 *Onshore Lease Prefixes*

Leases issued by BLM between July 1, 1908, and June 30, 1966, are designated **0** series leases and are distinguished by a zero as the first digit of the lease body. Leases issued between June 30, 1966 and March 31, 2022 are called X series leases. For example, a 0 series lease might be W047659; the same serial number issued as an X series would be W47659. The new MLRS leases approved by BLM (**excluding Alaska**) on or after April 1, 2022 will be issued as WYWY123456789 and ONRR will convert as 049123456789.

The following example illustrates how a BLM lease number is converted to a financial accounting system lease number.

B.2

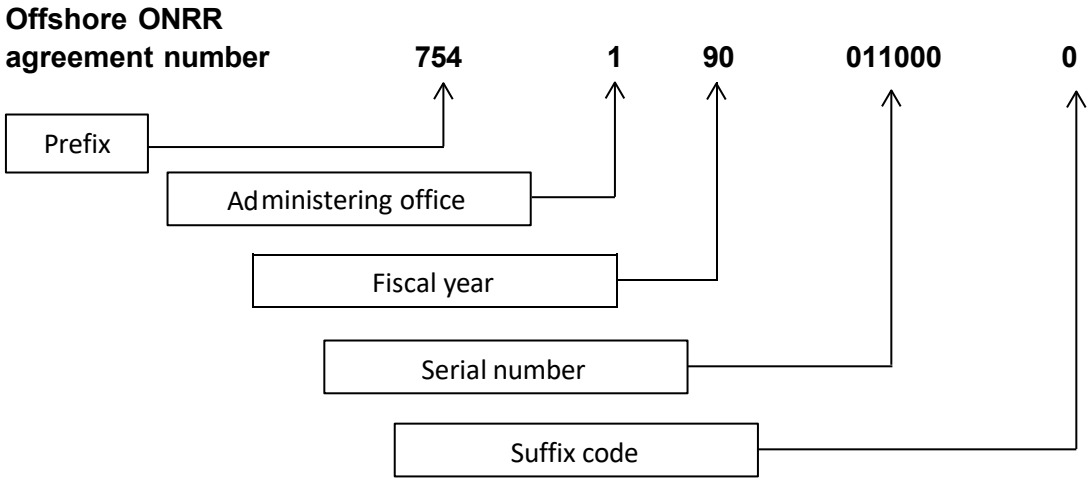

Unit or Communitization Agreement Conversions

This section contains information and tables for converting BLM agreement numbers prior to April 1, 2022 and offshore agreement numbers to ONRR agreement numbers.

B.2.1

Offshore Agreement Conversion

The following schematic, text, and Table B-4 explain the offshore ONRR agreement conversion prefixes.

Prefix. This is a pre-assigned code unique to each administering office.

Administering office. This one-digit block identifies the offshore administering office.

Code	Office
1	Alaska OCS Region
2	Atlantic OCS Region
3	Gulf of America (Formerly Gulf of Mexico) OCS Region
4	Pacific OCS Region

Fiscal year. The fiscal year must be used in converting an offshore agreement number to the financial accounting system because it is the only distinguishing number from year to year.

Serial number. Each fiscal year, the offshore regional offices start numbering

agreements beginning with number 001.

Suffix code. The last one or two characters of the ONRR unit agreement number is a code assigned by BOEM to the unit number when the unit is first approved and/or has formed a new Participating Area (PA). Each new PA is assigned a unique letter for this field, usually starting with an A; however, all old offshore units were originally assigned a code zero (**0**). If the unit is an exploratory unit, the code is **X**. When only one character exists, the field must be left-justified with the second character blank.

TABLE B-4 Offshore agreement prefix conversions

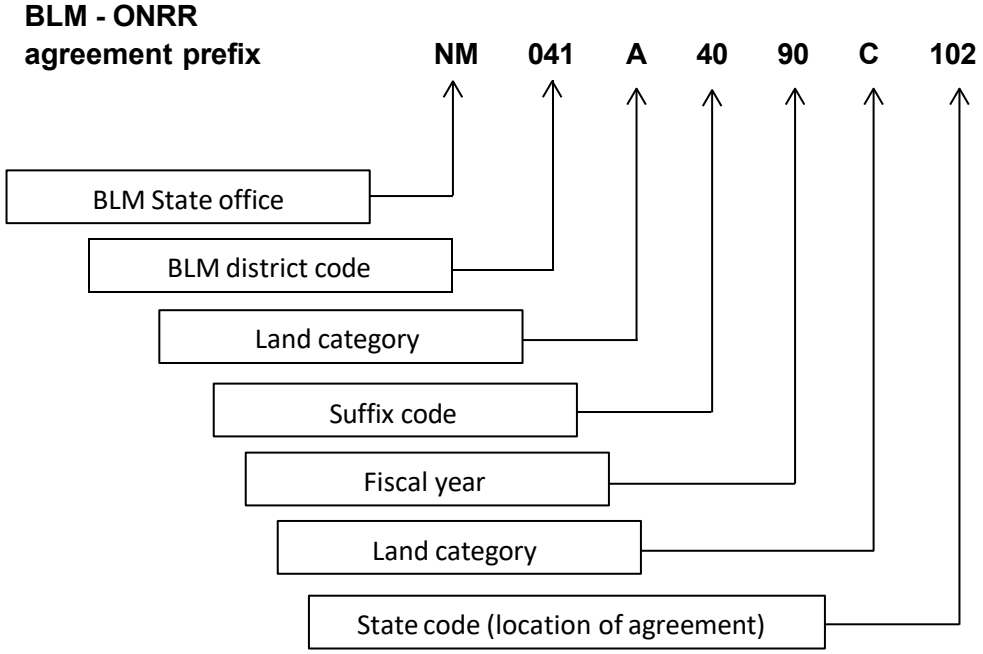

ONRR financial accounting system agreement prefix	ONRR OCS agreement number	BOEM OCS region	Agreement type
750-	1(FY)(Serial #)	Alaska OCS Region	unit
752-	2(FY)(Serial #)	Atlantic OCS Region	unit
754-	3(FY)(Serial #)	Gulf of America (Formerly Gulf of Mexico) OCS Region	unit
756-	4(FY)(Serial #)	Pacific OCS Region	unit
891-	14-08-0001	All Regions	unit

Note: There are no offshore communitization agreements.

B.2.2

Onshore Agreement Conversion

The following schematic and text explain the onshore agreement conversions for agreements issued prior to January 1, 1988.

BLM State office. This block is the two-letter abbreviation for the BLM State office that has administrative jurisdiction over the agreement.

BLM district code. This block is a numeric code for the BLM district office that approved the agreement.

> **Note**: As part of an organizational restructuring in the 1996 - 1997 time frame, BLM redesignated its District Offices as Field Offices or Field Stations.

Land category. On a Federal agreement, the land category may vary as follows:

P = public domain
A = acquired land
M = military land

On an Indian agreement, the land category is always I (Indian).

NOTE *If an agreement contains more than one category of land, BLM assigns the prefix according to which category has the highest percentage of land in that agreement.*

State code. This block is a numeric code representing the State in which the

agreement is physically located. Most districts operate in only one State, so the State code remains constant. However, some BLM districts have responsibility for more than one State. In these instances, the various States for which that district is responsible are listed in the Variables column of Table B-7 on page B-17.

Fiscal year. The fiscal year must be used when converting a BLM agreement number to a financial accounting system number. At the beginning of each fiscal year, BLM starts renumbering from the beginning of its block of serial numbers, so the only distinguishing number from year to year is the fiscal year. The Federal fiscal year begins on October 1 and ends on September 30.

Agreement type. The agreement type may vary as follows:

C = communitization agreement
U = unitization agreement

Federal communitization agreements and units are assigned separate prefixes for each BLM district office. However, Indian communitization agreements and units have been combined under a single prefix for each BLM district. Therefore, an Indian agreement prefix may be either C (CA) or U (UA).

Serial number. Each State has been issued a block of numbers for use in assigning serial numbers. Each fiscal year, BLM starts numbering agreements from the beginning of its block of numbers.

For onshore agreements issued after January 1, 1988, ONRR began using the BLM numbering system. Onshore agreements will be issued the next serial number in line for that state and will no longer maintain the same serial number for units.

The following schematic and text explain the onshore agreement conversions for agreements approved prior to April 1, 2022.

	BLM number on agreement document	ONRR agreement number *	Agency-assigned agreement number
ONRR one-letter prefix:			
Communitization agreement	COC53211	C---53211	COC53211
Unit agreement	COC53211X	C---53211X	COC53211X
ONRR two-letter prefix:			
Communitization agreement	NMNM83541	NM--83541	NMNM83541

Unit agreement	NMNM83541A	NM--83541A	NMNM83541A

* Each '-' represents a space for illustration purposes. Spaces apply to only ONRR agreement numbers.

The following schematic and text explain the onshore agreement conversions for agreements approved on or after April 1, 2022.

Communitization Agreements:

BLM Serial Number	ONRR Agreement Number
WYWY123456789	WYWY123456789

Unit:

BLM Serial Number	ONRR Agreement Number
WYWY123456789	WYWY123456789

Because of system restrictions, BLM **compensatory royalty agreement** numbers must be converted to ONRR lease numbers using the **889-** prefix, the BLM base agreement number.

BLM State and district office codes and State codes. Table B-5 lists letters and numbers for identifying the State and district offices having jurisdiction over the agreement area.

US Well Number codes. Table B-6 lists the State codes used in the US Well Number.

Onshore agreement prefix conversions. Table B-7 lists the ONRR prefixes approved prior to April 1, 2022, that convert to the BLM agreement prefixes.
